RECOGNITION OF PRIOR LEARNING (RPL)

In line with the South African Qualifications Authority institutional guidelines and policies, Recognition of Prior Learning may take place and the candidate may be awarded a maximum of 50% of the credits for the programme, based on appropriate assessment of evidence of competence related to the programme and module outcomes.

RPL, as defined nationally by SAQA, applies to informal or non-formal learning only. Learning resulting from formal routes will normally be recognised via Credit Accumulation and Transfer (CAT), but in cases where CAT is found not to be applicable, the RPL route may be explored. Edutel Higher Education in all, and its RPL and CAT processes ensure that the principles as formulated by the CHE, always underpin its assessment policies and practices. A formal RPL will be followed in line with Edutel Higher Education's RPL Policy.

RPL will be used to grant access to, or exemption from modules that contribute towards the Bachelor of Business Administration. Edutel Higher Education recognises forms of prior learning as equivalent to the prescribed formal minimum admission requirements.
